MVPS's College of Architecture, Nashik, adheres continuous internal evaluation process (CIE) as explained below.

University provides the academic calendar which indicates dates for term start, term end and examination time table schedule for viva –voce, In-sem and End- Sem examination details for Architecture program. This calendar is displayed on the SPPU website before the commencement of the academic year. On basis of the same the Institute prepares its calendar.

The SPPU university has prescribed the overall framework for internal assessment of the course. The CIE process is transparent and communicated to the students. As a part of CIE the course is assessed as & when, there is a scheduled submission according to the teaching plan. The college follows a practice of taking a mid-term review with respect to attendance & completion of submissions for the Architecture program. The students having unsatisfactory attendance and performance are identified and their parents are informed about it through messages or letters.

Students are informed about the internal marking systems, schedule by respective course teachers and as a part of CIE at the start of the term. It helps the students to orient their work according to the calendar.

Continuous internal evaluation includes one or more of the following activities

- 1) Conduction and Evaluation of practical/ Studio work.
- 2) Conduction and Evaluation of Graphical and written Assignments.
- 3) Conduction and Evaluation of Site visit & Market Survey.
- 4) Conduction and Evaluation of the tutorials/ class test.
