Subject: Indian Plumbing Association – Institutional Membership No. I - 051

Dear Mr. Chogule,

Indian Plumbing Association is pleased to welcome your institute as an **Institutional Member** enrolled through **Nashik Chapter**.

IPA anticipate your co operation and support for promoting Good Plumbing Practices for Better Health and Hygiene. Please visit IPA website to keep an update on the IPA organisation and its activities.

As a Membership privilege one copy of Uniform Illustrated Plumbing Code – India will be sent ^{separately} and the monthly magazine Indian Plumbing Today (IPT) will be mailed to you regularly.

IPA invites your suggestions and innovative ideas related to the field of Plumbing. Being **Institutional Member**, you are one of the important resource to bring about a change in the Plumbing vocation in the country.

Please remember to refer your membership number I – 051 in all correspondences and keep us updated with any change in the postal address/contact numbers.

We acknowledge membership fee of Rs.12,390/- dated 05-11-2020. Please find attached herewith official receipt No. 4202 dated 22-12-2020 with Invoice No.IPA/MEM/073/2021 dated 22-12-2020.

You can contact us at hq@indianplumbing.org or nashik@indianplumbing.org for any query.

Thanking you,

Yours faithfully,
For Indian Plumbing Association

CERTIFICATE OF EXPERIENCE

We are a team of architects working under the firm Morphosis Architects. Our firm has residential, commercial and institutional projects to its credit. Our work has been published in several architectural magazines. A team of five to six Architects and trainees work under my guidance. Recruitments in our firm are based on the academic performance and design skills of the candidate.

JASLEEN KAUR TEJENDER SINGH CHADHA has been a part of our team as an intern from 11TH May to 15TH Oct 2020 for a period of six months. She has been working on various projects in this period. Her scope of work included design, site visit, working drawings and details.

During her tenure, I found her to be sincere. Her zests for learning and positive attitude towards work are worth accounting.

Subject: To provide a guidance to our students.

Respected madam.

A visit is arranged at Gondeshwar Temple, Sinner to study a historical importance of a unique Bhumija temple typology and to experience the spaces of a temple.

As a part of the history syllabus the students are expected to learn about the various elements and spaces of the temple.

As a conservation architect, your guidance will be very valuable for our students. The site visit is arranged to the monuments on 15TH October 2019.

I request you to please guide our students.

Thanking you

Brief about the Program (Activity/Event)	<p>Students of first year B. Arch were taken to Gondeshwar Shiva Temple at Sinnar.</p> <p>The Gondeshwar temple is 11th-12th century Hindu temple built in the Bhumija style in form of panchayatana complex, which features a main shrine surrounded by four subsidiary shrines.</p> <p>Students were made to experience the space inside and around the temple complex from morning 8.00 to afternoon 2.00 and jot down their individual experiences in the form of narratives, schematic sketches, detailed sketches and photographs. The broader parameters for analyzing the space quality are, volume, geometry, patterns, light and shadows, textures, details and scales and proportions. Students also identified the features of temple architecture learnt in the subject of History.</p> <p>Overall the visit offered knowledge gaining to the students through experiential learning process.</p>
Remarks	Satisfactory.

Subject: Collaboration with your college...

Reference: Our telephonic discussion and your letter

With reference to above M/s.Harshvardhan Enterprises would like to express willingness to work in collaboration for the field trips by the students of MVPS's College Of Architecture to our various sites under construction.

We will allow field trips to our premises for academic purpose only. The students will have to adhere to the site timings and other rules.

The students will be able to observe and learn various aspects of the construction work they want to study during these field trips. If required, they will be allowed to have photograph and video recordings as per the norms of security systems.

We look forward to working with you on this collaboration.

Brief about the Program (Activity/Event)	<p>A site visit to ongoing interior site is organized to make students understand the various concerns related to interior execution. Different parts of interior execution like partitions, wall paneling, false ceiling and furniture work were explained on site.</p> <p>The step by step execution process explained in lecture could be seen on site. Students raised many question to site workers about execution to suit their design. Practical manifestation of their design ideas could be tested for workability.</p> <p>Latest materials and assembly techniques for different designs were explored in depth. This helped students to formulate their interior designs and establish more practical oriented construction details for the execution of same.</p>
Remarks	Students get a clear idea of construction stages of Interior works. Also understand interior materials and their limitation well.

15th December, 2019.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Shivani Kashid has completed her internship with INTACH Anegundi – Hampi Chapter dated from 1st June, 2019 to 15th December, 2019.

She has worked on various typologies of projects ranging from urban design, public space design, design of adaptive re-use spaces to documentation. She worked on-site and in office, thereby developing a deep understanding of the philosophy of the organization and hence providing context-sensitive response to projects in the UNESCO World Heritage Site.

During the internship, she demonstrated great design skills with a self-motivated, zealous attitude to learn. Her performance has exceeded our expectations and she would be welcome to work with us again.

We wish her all the best for her future endeavors.

Warm regards,

Shama Pawar

To,

The Principal,

MVP Samaj's College of Architecture,

Gangapur Road

Nashik.

Subject: Collaboration with your college...

Reference: Our telephonic discussion and your letter

With reference to above **SaiKrupa Associate** would like to express willingness to work in collaboration for the field trips by the students of MVPS's College Of Architecture to our various sites under construction.

We will allow field trips to our premises for academic purpose only. The students will have to adhere to the site timings and other rules.

The students will be able to observe and learn various aspects of the construction work they want to study during these field trips. If required, they will be allowed to have photograph and video recordings as per the norms of security systems.

We look forward to working with you on this collaboration.

Sincerely,

M/S. SAIKRUPA ASSOCIATES

Subject: To provide a guidance to our students.

Respected madam.

This year Final year 12 students have selected "Architectural Conservation" as their elective subject.

As a part of this subject they want to learn about the conservation work of the historical monuments. Since you are working on Sundarnarayan Temple and Sarkarwada as a conservation architect, your guidance will be really helpful for our students. The site visit to these monuments will be on 21st January 2019.

I request you to please guide our students.

Thanking you

Brief about the Competition (Activity/Event)

Final year students were introduced to the subject of Heritage conservation through a 4 day workshop inclusive of site visits. Two major conservation projects – Sarkarwada and Sundarnarayan Mandir, both dating back to the Peshwa period were studied. Architect and archeologist Smita Kasar Patil who is working with ASI on Sundar Narayan project, conducted the workshop

She explained various approaches to conservation like preservation, restoration, reconstruction were introduced. Various methods of grading a heritage building were discussed. Students did a photographic documentation of various identified structures around the city.

Subject: To provide guidance to our students.

Respected Sir.

As a part of a syllabus a visit is arranged at Pandavleni to study a historical importance of the cave architecture under history subject for second year B.Arch. students. The students are expected to learn about the various elements and spaces of the Buddhist Caves.

The INTACH chapter Nashik who is working in the field of spreading awareness about the cultural legacy of India and conservation of historical monuments.

As a historian and an expert in ancient script writing the INTACH has suggested you as a valuable guide for our students.

Your guidance will be very meaningful for our students.

The site visit is arranged to the monuments on 21st December 2018 at 8:00 a.m.

I request you to please guide our students.

Thanking you

Joint Workshop between Academy Of Architecture Unaided and MVPS's College of Architecture

**Exploring Patterns through unit and repetition and fractals.
At Nasik on 14th , 15th and 16th October 2016**

Aim:

- To explore patterns in geometry and simplify them using basic rules of geometry. Adopt the patterns to create Unit.
- Repeating the unit to arrive at a progressive or fractal pattern.
- Using the pattern explore various making techniques like weave, connect, join and build a human scale form. To erect the form with basic functions around or within it.

Learning Objective :

- To Understand simple geometric patterns.
- Learn to set rules to develop rule based pattern
- To explore unit and repetition in Two dimensional and three dimensional geometry
- To explore making materials like Bamboo, Corrugated Board, Pet bottles, Rope and Used flex with various properties.
- To make large size pattern based models with hand on skills to be learnt.
- To understand form and basic functions once the installation is ready.

Methodology:

- One pre workshop module on fractals and unit and repetition will be run by both institutes prior to the actual workshop
- The patterns created in Pre Workshop Module will be Identified and Curated by the faculty for final making modules to be erected during workshop.
- During 3 days of workshop the students will create prototypes, joint them in a rule based manner and finally erect and or install the large scale installation.
- This is an explorative workshop to understand rule based incremental geometric patterns.

Joint Workshop between Academy Of Architecture Unaided and MVPS's College of Architecture

Instructions for Students

1. All students shall report to AOA UA Prabhadevi premises on Ground floor at 6:00 AM on Friday 14th October. The bus will leave at 6:15 Sharp. Since the Nasik Highways gets traffic after 9 am its advisable to start early.
2. All students will carry following
 - a. Clothes suitable for working outdoors with different materials. Preferably full jeans, and thick Shirt of T shirt to protect from Sun, Sports Shoes preferable, please carry caps and glares for some time of the day we will work outside in sun.
 - b. Carry sunscreen cream or lotion if you get sunburns
 - c. Carry big size napkins
 - d. If you are having any chronic ailment or if you are undergoing any medication please inform the concerned faculty in advance and carry all your medication with you. We will carry first aid kit with us. We request you to carry some basic things like band aid, cotton and any specific emergency medicine that suits you as per your family phesicians guidelines. Also let us know if you are advised not to take paracetamol or any painkillers etc by your Doctors.
 - e. If you are allergic to any thing in air or any food ingredient please inform and avoid such situation in three days.
 - f. No one will be allowed to leave the premises during day time and the stay facility during night time.
 - g. No student will go anywhere without prior knowledge of the concerned faculty.
 - h. All the students have to follow discipline and adhere strictly to the instructions give by the faculty in charge.
 - i. While working with tools students have to follow safety norms and handle tools carefully.
 - j. Smoking and Consumption of Alcohol and any other substances is strictly prohibited in The Premises and the Stay facility.
 - k. The breakfast Lunch and dinner is arranged in the college premises only.
 - l. Students Must carry and wear their ID cards all the three days of the workshop.
 - m. Since it is a making workshop there will be group work . This working may continue beyond 6 PM till 9 PM if the need be. Since it is a group work proper planning and division of work in team will lead to a successful end product.
 - n. **The total expenses for three days are 2400/- and shall be paid to the class In charge before Thursday 13th October. Along with the signed copy of the tour program by the Parents/Guardian.**
 - o. **Students shall carry Sketch book, Steel scale, Fevicol, Cutters, Sketching pencils and markers and all model making kit with Cutting Mat. please carry sufficient side smacks for ypu preferably home made dry snacks. There is a good filtered pure water available at the venue. It will be advisipbe to carry empty water bottles with**
 - p. **Please avoid carrying any valuables and please keep track of your cell phones and other important belongings that will be all students responsibility.**

**Joint Workshop between Academy Of Architecture Unaided and
MVPS's College of Architecture**

The Team:

From AOAUA there will be a team of 4 guides leaving with the students

Ar. Shripad Bhalerao 8097132799 Associate Prof. Core Faculty

Ar. Joel Roy 8452956238 Visiting Faculty ALD

Teja Gavankar 9867796977 Visiting faculty ALD

Ar. Recheal Mewada

**There will be total 8 faculty from The Nasik College out of that our
single contact points is**

Ar. Nishtha Karkhanis 8087342381

From our college in all 39 students will be going

**Final list of students going will be prepared on Wednesday 13th
October.**

Total expenses of the Nasik workshop for 3 Days is Rs. 2400/-

That includes

ST bus fare from AOA to Nasik and Return to AOA

Stay Facility for 3 days 2 nights

All breakfasts, Lunches, evening tea and Dinners.

All the cost of Material That will be required to make all installations.

**There are 80 students from Nasik College and the cost of Material to be
procured is divided equally between all the 120 students of both the
colleges.**

**Joint Workshop between Academy Of Architecture Unaided and
MVPS's College of Architecture**

Exploring Patterns through unit and repetition and fractals.

Schedule of the Workshop

Day 1:	6:00 am	ST bus arrives at Rachana Sansad
oct 14	8:00 PM	Dinner AOA premises
	6:30 am	Bus leaves for Nasik It is a 3 hour 30
	10:00	Minutes journey In normal traffic
	10:30	We reach Nasik
	11:30	Session 1 begins
	1:00 to 2:00 PM	In session 1 introduction of all
	2:00 PM	students and faculty. Introductory
	4:00 PM	presentation by Ar. Shripad and
	4:15 PM	Ar. Joel
	4:30 to 6:00	Session 2
	8:00 PM	Students start exploring geometric
		patterns shortlisted and start
		preparatory drawings/sketches
		Lunch Break
		Session 3
		This session begins with choosing
		the pattern and starting
		converting its kit of parts.
		Tea break
		Overall joint discussion and
		groups presenting prototype
		option to choose from
		Finalizing the basic module and
		start making multiple unit
		Dinner
<hr/>		
Day 2:	8:00 am	session 1
Oct 15	10:30 to 11:00	Students join session 1 after
	11:00	completing their breakfast
	1:00 to 2:00 PM	Identification of site for
	2:00 PM	installation and continue making
	4:00 PM	individual prototypes
	4:15 PM	Small break for common
	8:00 PM	discussion
		Session 2
		begins with understanding joinery
		of metal, wood, bamboo , rope
		etc With respect to the prototype
		designed
		Lunch Break
		Session 3
		This sessions students begin
		assembly and understand process
		and methods of assembly
		Tea break
		session 4
		continuation of making
		assemblage
		This day work will continue for a
		longer duration
		Dinner

Certificate Course - A Joint Workshop on 'Exploring Patterns'

Curriculum and detailed activity schedule

Exploring Patterns through unit and repetition and fractals. At Nasik on 14th, 15th and 16th October 2016

The Team:

Team AOAU : Prof. Shripad Bhalerao, Ar. Joel Roy, Teja Gavankar, Ar. Recheal Mewada
Team MVPS's COA : Prof. Umesh Hirwe, Prof. Ketaki Joshi, Prof. Gitanjali Patil, Prof. Nishtha K., Prof. Ankita Pathare, Prof. Sharmishtha S., Prof. Sachin Wagh, Prof. Nakul Bhavsar

Number of students:

From AOAU – 39 students
From MVPS's COA – 81 students

Aim:

- To explore patterns in geometry and simplify them using basic rules of geometry. Adopt the patterns to create Unit.
- Repeating the unit to arrive at a progressive or fractal pattern.
- Using the pattern explore various making techniques like weave, connect, join and build a human scale form. To erect the form with basic functions around or within it.

Learning Objective :

- To Understand simple geometric patterns.
- Learn to set rules to develop rule based pattern
- To explore unit and repetition in Two dimensional and threedimensional geometry
- To explore making materials like Bamboo, Corrugated Board, Petbottles, Rope and Used flex with various properties.
- To make large size pattern based models with hand on skills to belearnt.
- To understand form and basic functions once the installation is ready.

Methodology:

- One pre workshop module on fractals and unit and repetition will be run by both institutes prior to the actual workshop
- The patterns created in Pre Workshop Module will be Identified and Curated by the faculty for final making modules to be erected during workshop.
- During 3 days of workshop the students will create prototypes, joint them in a rule based manner and finally erect and or install the largescale installation.
- This is an explorative workshop to understand rule based incremental geometric patterns

Certificate Course - A Joint Workshop on 'Exploring Patterns'

Time	Topic	Activity
Day 1, Oct 14		
8:00 AM	Patterning	Session 1 begins In session 1 introduction of all students and faculty. Introductory presentation by Ar. Shripad and Ar. Joel
11:30 AM	Patterning	Session 2 Students start exploring geometric patterns shortlisted and start preparatory drawings/sketches
1:00 to 2:00 PM		Lunch Break
2:00 PM	Processing	Session 3 This session begins with choosing the pattern and starting converting its kit of parts.
4:00 PM	Prototyping	Overall joint discussion and groups presenting prototype option to choose from
4:30 to 6:00 PM	Prototyping	Finalizing the basic module and start making multiple unit
Day 2, Oct 15		
8:00 AM	Prototyping	Students join session 1 after completing their breakfast Identification of site for installation and continue making individual prototypes
11:00 AM	Construction	Session 2 begins with understanding joinery of metal, wood, bamboo, rope etc With respect to the prototype designed
1:00 to 2:00 PM		Lunch Break
2:00 PM	Construction	Session 3 This sessions students begin assembly and understand process and methods of assembly
4:00 PM	Construction	Session 4 continuation of making assemblage

Certificate Course - A Joint Workshop on 'Exploring Patterns'

		This day work will continue for a longer duration
Day 3, Oct 16		
8:00 AM	Construction	session 1 Actual assembly on site with proper supports etc begins
11:00 AM	Construction	Session 2 in this session final installation on site with all detailed ties etc.
1:00 to 2:00 PM		Lunch Break
2:00 PM	Construction	Session 3 in session 3 there will be final finishing and stabilizing the installation and trying to complete it.
4:00 to 6.00 PM	Construction	session 4 exhibition of installations. And grand celebration of completion of work. concluding the workshop with guests invited giving crits to students.

Assessment procedure:

Assessment will be done based on the work done in 4 major stages during 3 days viz.

- Patterning,
- Processing,
- Prototyping
- Construction

Each stage will be marked out of 10 marks, Total 40 Marks

Students securing more than 50% marks will be awarded with the certificates.

NOTICE

DATE : 12/10/2016

This is to inform all the first year B.Arch students to remain present for Certificate Course - joint workshop on 'Exploring Patterns' in college on 14th, 15th and 16th Oct 2016 from 8.00 a.m. to 6.00 p.m. The workshop will be conducted jointly by MVPS's College of Architecture, Nashik and Rachana Sansad's Academy of Architecture, Mumbai. Contribution of Rs. 600 per student is to be given to Prof. Ketaki Joshi and Prof. Ankita Pathare.

Brief about the Program (Activity/Event)

A joint workshop on "Exploring Patterns" was conducted for the students of 1st year Architecture. It was conducted in consolidated manner extensively for consecutive 3 days.

The joint Workshop was hosted in collaboration with Rachana Sansad Academy of Architecture, Mumbai. 39 students from AOA, Mumbai and 81 students from MVPS's College of Architecture, Nashik participated in the workshop. It was conducted under the guidance of Ar. Shripad Bhalerao, AOA, Mumbai, jointly with the First year Design team of both the colleges.

First day started with introductory session by Ar. Bhalerao and Ar. Joel wherein they explained students about Fractal geometry. Then every student explored 2D geometric patterns and selected patterns were converted to 3D explorations using paper modelling. At end of the day 6, 3D explorations were identified for live scale installations in groups after discussions.

Second day started with identification of appropriate sites for live size installations. A presentation by Ar. Recheal Mewada on bamboo as a sustainable construction material explained its properties, applicability in architecture and various bamboo explorations in architecture done by her team. The next session began with understanding joinery of metal, wood, bamboo, rope etc With respect to the prototype designed. Students began assembly

MVPS's College of Architecture

Phone : 0253-2570822. Email : cansnashik@mvp.edu.in

	<p>and understand process and methods of assembly using sketches and trials.</p> <p>On third day students actually started erecting their live scale structures using chosen materials such as bamboo, corrugated sheets, plastic bottles, ropes etc. after a daylong extensive work installations were stabilized and completed. Exhibition of completed structures was visited and appreciated by professionals from the field. The workshop was concluded with a cultural event of flute playing, felicitation of students and guests from Academy of Architecture in the hands of Ar. Sanjay Patil.</p>
Outcome	<p>The whole process made students understand how simple 2D geometric patterns can be explored to make forms that can be transformed into interesting 3D spaces. Students got hands on experience of working with different materials like bamboo, plastic, cardboard etc. to erect live size models. Overall it was an experiential and collaborative learning experience for the students.</p>
Remarks	<p>More such joint ventures need to be worked out in future.</p>

MUMBAI - 400 026.

Sub : **VISA TO OUR TEAM MEMBERS.**

Dear Sir,

We wish to inform you that "Team India" consisting 6 members are visiting Diepsloot, South Africa to participate in the Community Plumbing Challenge, being organized by WASSUP & DCAN, held in Diepsloot, South Africa, from 09th to 15th July, 2016. **Indian Plumbing Association (IPA)** is supporting these members for this activity.

We submit herewith Visa Application Forms duly filled and signed with all relevant documents in respect of following :-

- | | |
|---------------------------------------|------------------|
| 1. Mr. Subhash Hari Deshpande | PP No. Z-1723587 |
| 2. Mr. Milind Atmaram Shete | PP No. H-3686707 |
| 3. Ms. Darshana Pramod Agrawal | PP No. P-1323293 |
| 4. Ms. Aakanksha Sunil Kapse | PP No. P-1319033 |
| 5. Mr. Vilas Dnyanoba Dain | PP No. N-9509557 |
| 6. Mr. Sandip Hanmant Dhanawade | PP No. N-6776392 |

We also submit herewith IPA's last 6 months Bank statements provided by our banker, Bank of Maharashtra, duly stamped and a statement showing Deposits being held by IPA, along with last 3 year's Balance Sheets copies with ITR acknowledgement, as required.

Further we like to inform you that above members, stay has been arranged at Hotel Indaba Hotel, Spa & Conference Centre, Johannesburg and air tickets booked by Ethiopian Airlines for the Sector Mumbai - Johannesburg 08th July 2016 and Johannesburg - Mumbai 16th July, 2016.

All expenses for above team will be borne by IPA.

Please grant visa to above Team and oblige.

Thanking you,

Yours faithfully,
For **INDIAN PLUMBING ASSOCIATION**

Design Brief:

Background

Water, Amenities and Sanitation Services Upgrading Programme (WASSUP) – is a community organization that repairs and maintains communal toilet facilities in the township of Diepsloot, South Africa.

Objective of developing a free style design is to provide solution to upgrade the existing community toilet facility which is durable and maintenance free. The solution will be easy to install and maintain for local residents across Diepsloot.

Existing Toilets

Each existing toilet unit comprises of a precast concrete module that houses a water closet and a hand wash and washing facility on the external side of the module. These toilets are located close to the residential area, with its back towards housing and the front facing the street. The toilet units are generally installed in pairs. The water supply and drainage lines are just behind the toilet units. The concept of upgrade is to introduce an improved design which can then be copied for future toilet installations.
