<b>Brief about the Program (Activity/Event)</b>	<p><b>Ar. Bijoy Ramchandran</b> visited the institute and interacted with the students of Architecture and Design. He is an architect and urban designer based in Bangalore. His firm Hundred Hands is recognized internationally. The awards include an official selection for the Project South Exhibition and the Leone di Pietra at the Venice Biennale, 2006 and the Cityscape/Architectural Review in 2005.</p> <p>Ar. Bijoy keenly went through the design works by Third, fourth and final year students and enriched their knowledge with his valuable comments. During his free dialogue with the students and the faculties he shared his views on the appropriate use of technology by the students. He also shared his experience and talked about the current challenges in pursuing sustainable approach towards Vernacular design solution when it comes to environment friendly design in economical way. He also discussed about opportunities and career possibilities in vernacular architecture.</p>
