Brief about the Program (Activity/Event)	A Blood donation camp was organized by our college in collaboration with Dr. Vasantao Pawar Medical College, Hospital & Research Center. It was an effort to motivate students to come forward and donate for this noble cause. Our College has been religiously organizing blood donation camps every year. Students and the faculty members come forward voluntarily to donate blood. While addressing the students at the camp our Program In-Charge Prof. Arpita Bhatt brought awareness to them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving the lives of many patients and those who have met with accidents.
