Brief about the Program (Activity/Event)	<p>M.V.P.S's College of Architecture always takes up initiatives for betterment of society through some eco-friendly activities. This year on the occasion of Independence Day, 15th August, students along with the faculty members took up a tree plantation campaign. Honourable principal madam, HOD madam, Prof. Arpita Bhat , Prof Suruchi Randive along with 2nd and 3rd year B.Arch. students planted the trees. Around 50 trees were planted at different locations. The activity was a step towards inculcating environment friendly approach in the students and paying respect towards the environment.</p>
Remarks	<p>Important national days should be marked with such environmentally responsible activities to make the young generation cautious about their decisions.</p>

Brief about the (Activity/Event)	<p>A programme was organised by our college on Women Empowerment & Environment Conservation campaign at K.R.T.Highschool, Mohadi.</p> <p>There were a string of activities held for students. A skit on the subject "women empowerment "was played at school by our second year B. arch. students. A very meaningful message was given by the skit that the society should help the girl as well as the girl should also empower herself.</p> <p>A speech on "Environment Conservation"was also delivered by second year student Mrunali Yeole. The students from fourth year Rutuja Kale expressed views on girl child through Hindi songs.At the end, students took out a rally holding banners and placards showing the messages of " Women Empowerment & Environment Conservation" .The main objective of the programme was to create awareness among the students about the importance of Women Empowerment & Environment Conservation. There was a huge enthusiasm among the teachers and the students for the programmes. The programme was well appreciated by students and staff.</p>

Brief about the (Activity/Event)	<p>The intent was to create an awareness regarding the resources and the ways they are put to use. The students in an interactive way tried to understand their understanding of resource management.</p> <p>The school was proactive and had created a system of waste management which facilitated the dialogue. A poster making competition on the ideas of "Environment Conservation" was held for the students. The students gave an immense response for the competition. The prizes were given for the best posters. The students participated and explained the concept of reduce, recycle and repurpose with an interesting response of ideas from the school students. At the end, students collectively designed a system for the school for management of the resources along with an action plan for implementation to the next level. There was a huge enthusiasm among the teachers and the students for the programmes. The programme was well appreciated by students and staff of the school.</p>
Remarks	The activity was satisfactory. To be conducted next year.

Brief about the (Activity/Event)	<p>A programme was organised by our college on the Beti Bachao - Beti Padhao campaign and environment conservation at Janata English School, Dindori.</p> <p>Different activities which will convey the message to the students in a very effective manner were organised. A musical play on the subject "women empowerment" was played at school by our third year B. arch. students. A very meaningful message was given that the society should respect the girl child and should give equal importance to the girls in the society so that she could prove her abilities.</p> <p>A poster making competition on "Environment Conservation" was held for the students.</p> <p>The students gave a positive response for the competition. The prizes were given for the best posters.</p> <p>At the end of the program, students took out a rally holding banners and placards showing the messages of "Beti Bachao beti padhao" and "Save Environment".</p> <p>The main objective of the programme was to create awareness among the students about the importance of girl child and environment awareness. There was a huge enthusiasm among the teachers and the students for the programmes. A very positive and thought provoking message was given to the students by the activities.</p> <p>Programme was well appreciated by students and staff of the school and they requested to arrange such activities again.</p>
Remark if Any (for office use)	To be conducted next year.

Brief about the Program (Activity/Event)	<p>On the occasion of Ganesh Utsav around 25 to 30 students from B.Arch visited 'Adharashram orphanage' in Nashik.</p> <p>During the visit students interacted with the orphans of age group 5 to 12 years and taught them the skills of shadu clay Ganpati model making.</p> <p>The activity was conducted in co-ordination with the NGO named Shourya. Motive of the NGO is not to donate money to any orphanage, instead teach them skills to earn money.</p> <p>The philosophy of our institute being "Co-existence with nature", students opted for shadu clay over plaster of paris.</p> <p>The intension was to bring out the creativity of those orphans through such an eco friendly activity that will help them to utilize those skills for earning some money.</p> <p>The workshop was a great initiative by the institute towards social responsibility</p>
Remarks	<p>An initiative like this makes students more responsible towards environment. Many other such opportunities can be carved out to imbibe environmental sensibility amongst students.</p>

Brief about the (Activity/Event)	<p>A programme was organised by our college on the Beti Bachao - Beti Padhao campaign at Karmaveer Adv. Vitthalrao Hande Janata Vidyalaya, Chatori. Number of programmes were organised for students. A skit on the subject "women empowerment" was played at school by our second year B. arch. students. A very meaningful message was given by the skit that the society should help the girl as well as the girl should also empower herself. A poster making competition on the subject "Beti Bachao Beti Padhao" and "Environment Conservation" was held for the students. The students gave an immense response for the competition. The prizes were given for the best posters. At the end, students took out a rally holding banners and placards showing the messages of "Beti Bachao beti padhao" and "Save Environment". The main objective of the programme was to create awareness among the students about the importance of girl child and environment awareness. There was a huge enthusiasm among the teachers and the students for the programmes. The programme was well appreciated by students and staff of the school.</p>
Remarks	The activity was satisfactory. To be conducted next year.
