<b>Brief about the Program (Activity/Event)</b>	<p>On the occasion of Ganesh Utsav around 25 to 30 students from B.Arch visited 'Adharashram orphanage' in Nashik.</p> <p>During the visit students interacted with the orphans of age group 5 to 12 years and taught them the skills of shadu clay Ganapati model making.</p> <p>The activity was conducted in co-ordination with the NGO named Shourya. Motive of the NGO is not to donate money to any orphanage, instead teach them skills to earn money.</p> <p>The philosophy of our institute being "Co-existence with nature", students opted for shadu clay over plaster of paris.</p> <p>The intension was to bring out the creativity of those orphans through such an eco friendly activity that will help them to utilize those skills for earning some money.</p> <p>The workshop was a great initiative by the institute towards social responsibility</p>
<b>Remarks</b>	<p>An initiative like this makes students more responsible towards environment. Many other such opportunities can be carved out to imbibe environmental sensibility amongst students.</p>
