- Contacts alumni of the department and finding the various opportunities that may be available to students for internships, placements, etc. in the Organization in which alumni is working.
- Contact alumni and apprise them about the various activities undertaken by the institute.
- Contacts the alumni and requests them to deliver some lectures for the benefit of the students (lectures on special topics of relevance, career guidance to students, etc.)
- Requests alumni to attend alumni association meeting conducted from time-to-time.
- Maintain database of the department's alumni and sharing the same with the Placements Cell.
- Keep close contact with alumni who went for higher education and enquire vis-à-vis their well being and performance and share the same with the Principal/HoD, and the Placements Cell. Passes this information to the student's concerned on request.
- To get Alumni feedback and conduct Alumni Survey and keep the record for the same.
- As per the Alumni feedback and survey devise action plan.
- Any other responsibility that may be assigned by Principal/Vice Principal.

16. Policy for Divyangan

- General Consideration for Disabled friendly environment on campus.
- Institute is committed to facilitate the process of making institute environment barrier-free as per the prescribed principles of universal design. This includes both building and infrastructure.
- Institute takes responsibility to guide and interact with individuals with special needs in a right

MVPS's College of Architecture

based approach as against the charity approach.

- Institute ensures to implement reservation, exemption and concession policy in tune with prescribed norms in current legislation to individuals having certified disability in terms of education (particularly for students) and employment (particularly for the staff).
- Institute is dedicated to use technology to benefit students with special needs. Identify and deploy technology to benefit teaching-learning for students and faculty with special needs, wherever possible as need arises.
- Institute will ensure barrier free provisioning of learning resources and additional facilities in the library to cater to needs for students and faculty with special needs. This can range from academic material to additional technology support for discovery, access and the use as per needs.
- Institute will sensitize teaching & non-teaching staff on issues related to disability & special needs.
- The administration department will ensure easy access to soft versions of various forms like admission / eligibility/ exam / re-evaluation etc.
- Institute will abide to the rules and regulations laid out by the government for assessment of students with disabilities.
- The institute building is designed for universal access on ground floor with provision of a ramp.
- To provide counselling to differently-abled students on the types of courses they could study at the higher education institutions.
- To ensure admission of as many differently-abled students as possible through the open quota and also through the reservation meant for them.
- To gather orders dealing with fee concessions, examination procedures, reservation policies, etc., pertaining to differently-abled persons.

NVDA VERSION 2021.3.5

The NVDA screen reader can be downloaded free of charge by anyone. We do this because we believe everyone, especially the socially poorest, have greater access to computers and a way out of poverty if you have the means, no matter how big or small, please consider making a donation before downloading NVDA. We rely on donations and gifts to continue improving NVDA and to ensure it remains compatible with the world's rapidly changing technology.

Please note: NVDA is only suitable for PCs running Microsoft Windows 7 SP1 and later. It also requires a version of NVDA that can still run on Windows XP or Vista. Please download the latest version NVDA 2021.3 for Windows SP1 instead. NV Access does not however recommend or support running this latest version on Ancient Operating systems.

NVDA screen reader is installed in computer library which is very useful for visually impaired persons.
