AABHAS, 2017, ZONAL NASA CONVENTION, Zone 3 from 3rd
November- 5th November 2017 organised by STES, Sinhgad College of
Architecture, Pune.

Enclosed here with posters of the program.

ABOUT AABHAS ZONASA 2017

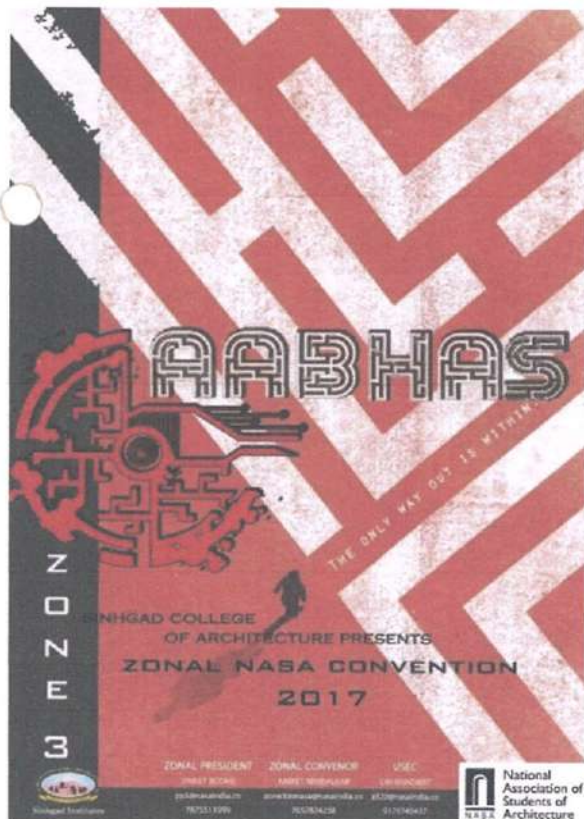

The Zonal Convention for NASA 2017 for zone 3 is going to be hosted at Sinhgad college of Architecture, Pune. This is a mega event witnesses a footfall of around 2000 "would be architects" from across the state and around 200 professionals. Students will participate in various trophies, workshops, seminars and cultural events.

ABOUT OUR THEME 'AABHAS'

Going parallel with the main theme for NASA 2017, Reflection, 'Aabhas' was the theme selected for Zonal NASA Convention for Zone 3.

On this occasion of the collaboration of 6 decades of glory of NASA and 25 years of excellence from Sinhgad Technical Education Society we present you 'Aabhas 2017' as the theme of our ZONASA convention. Aabhas means some feeling that you get, something which is virtual, but could be real as well. Well, it's not impossible, but it's not possible either. Something facit, but on the other hand is extremely deceptive.

Also, the main theme for the '25th anniversary of STES' is 'social cause' and that is the reason, most of our briefs would be linked with this theme as well.
