BOOK READING BY

Ar. Parul Kumtha

& Nature Nurture architects team.

GUEST SPEAKER

Shri Arvind Prabhoo

President, Chatrapati Shivaji Maharaj Smarak Samiti

Founder, Access for all foundation

ABOUT THE BOOK:

The book shares insights of the Nature Nurture team in answer to the question 'can you make an entire city accessible?'

It shares the journey of how, in order to make a single space accessible, every space leading up to it needs necessarily to be accessible as well.

It also shares contemplations at how to tread the middle path that looks at existing processes and practices, while merging them with accessibility solutions that will provide dignified and complete access to everyone.
