TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Shivani Kashid has completed her internship with INTACH Aneundi – Hampi Chapter dated from 1st June, 2019 to 15th December, 2019.

She has worked on various typologies of projects ranging from urban design, public space design, design of adaptive re-use spaces to documentation. She worked on-site and in office, thereby developing a deep understanding of the philosophy of the organization and hence providing context-sensitive response to projects in the UNESCO World Heritage Site.

During the internship, she demonstrated great design skills with a self-motivated, zealous attitude to learn. Her performance has exceeded our expectations and she would be welcome to work with us again.

We wish her all the best for her future endeavors.

Joint Workshop between Academy Of Architecture Unaided and MVPS's College of Architecture

Exploring Patterns through unit and repetition and fractals.
At Nasik on 14th , 15th and 16th October 2016

Aim:

- To explore patterns in geometry and simplify them using basic rules of geometry. Adopt the patterns to create Unit.
- Repeating the unit to arrive at a progressive or fractal pattern.
- Using the pattern explore various making techniques like weave, connect, join and build a human scale form. To erect the form with basic functions around or within it.

Learning Objective :

- To Understand simple geometric patterns.
- Learn to set rules to develop rule based pattern
- To explore unit and repetition in Two dimensional and three dimensional geometry
- To explore making materials like Bamboo, Corrugated Board, Pet bottles, Rope and Used flex with various properties.
- To make large size pattern based models with hand on skills to be learnt.
- To understand form and basic functions once the installation is ready.

Methodology:

- One pre workshop module on fractals and unit and repetition will be run by both institutes prior to the actual workshop
- The patterns created in Pre Workshop Module will be Identified and Curated by the faculty for final making modules to be erected during workshop.
- During 3 days of workshop the students will create prototypes, joint them in a rule based manner and finally erect and or install the large scale installation.
- This is an explorative workshop to understand rule based incremental geometric patterns.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Shivani Kashid has completed her internship with INTACH Aneundi – Hampi Chapter dated from 1st June, 2019 to 15th December, 2019.

She has worked on various typologies of projects ranging from urban design, public space design, design of adaptive re-use spaces to documentation. She worked on-site and in office, thereby developing a deep understanding of the philosophy of the organization and hence providing context-sensitive response to projects in the UNESCO World Heritage Site.

During the internship, she demonstrated great design skills with a self-motivated, zealous attitude to learn. Her performance has exceeded our expectations and she would be welcome to work with us again.

We wish her all the best for her future endeavors.

Joint Workshop between Academy Of Architecture Unaided and MVPS's College of Architecture

Exploring Patterns through unit and repetition and fractals.
At Nasik on 14th , 15th and 16th October 2016

Aim:

- To explore patterns in geometry and simplify them using basic rules of geometry. Adopt the patterns to create Unit.
- Repeating the unit to arrive at a progressive or fractal pattern.
- Using the pattern explore various making techniques like weave, connect, join and build a human scale form. To erect the form with basic functions around or within it.

Learning Objective :

- To Understand simple geometric patterns.
- Learn to set rules to develop rule based pattern
- To explore unit and repetition in Two dimensional and three dimensional geometry
- To explore making materials like Bamboo, Corrugated Board, Pet bottles, Rope and Used flex with various properties.
- To make large size pattern based models with hand on skills to be learnt.
- To understand form and basic functions once the installation is ready.

Methodology:

- One pre workshop module on fractals and unit and repetition will be run by both institutes prior to the actual workshop
- The patterns created in Pre Workshop Module will be Identified and Curated by the faculty for final making modules to be erected during workshop.
- During 3 days of workshop the students will create prototypes, joint them in a rule based manner and finally erect and or install the large scale installation.
- This is an explorative workshop to understand rule based incremental geometric patterns.

15th December, 2019.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Shivani Kashid has completed her internship with INTACH Anegundi – Hampi Chapter dated from 1st June, 2019 to 15th December, 2019.

She has worked on various typologies of projects ranging from urban design, public space design, design of adaptive re-use spaces to documentation. She worked on-site and in office, thereby developing a deep understanding of the philosophy of the organization and hence providing context-sensitive response to projects in the UNESCO World Heritage Site.

During the internship, she demonstrated great design skills with a self-motivated, zealous attitude to learn. Her performance has exceeded our expectations and she would be welcome to work with us again.

We wish her all the best for her future endeavors.

Warm regards,

Shama Pawar
