Annual gender sensitization action plan

The institution understands its responsibility towards gender sensitisation amongst adolescents. The institute works to respond to gender sensitive issues and provide an environment where boys and girls can work together with a sense of personal security and dignity. For the purpose, institute has an advisory body for gender sensitization under Ladies grievance cell and ICC committee. The advisory body engrosses the awareness about gender issues and emphasize on creating enabling environment for gender justice.

The advisory body works with a vision works with an aim to create a gender sensitized community within the campus as well as in the society. It has been organising varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality in the society through the College students.

Main objective of Gender Sensitization cell are:

- To make the young boys and girl's gender sensitive and create positive values that supports the girls and their rights.
- To provide overall guidance to the peer group in integrating/mainstreaming gender in all activities of the Institution in the form of focused group discussions, debates, poster making competitions etc.
- To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the experiences of women and men in society.
- To generate the awareness in regard to equality in law, social system and democratic activities.

Brief about the Program (Activity/Event)	<p>This year in 2023, Gender awareness program was held in the institute which conveyed the message of 'Stop Female Foeticide'</p> <p>A lecture followed by a skit was organised to create gender awareness amongst students. Speaker Dr. Azhar Sayyed from Dr. Vasant Rao Pawar Medical College conducted a lecture on Pre-Conception and Pre-Natal Diagnostic techniques. He helped students understand different medical techniques and PCPNDT Act in practice and guided them regarding the same.</p> <p>Students from medical college also performed a small skit to create awareness about Gender Equality. They highlighted that Female Foeticide is the termination of female foetuses in the wombs of their mothers, for the selfish greed of having a male child. It is a matter of deep shame and a cause of great concern. The evil of Female Foeticide is deeply entrenched in our society and pervades all classes and castes of society. It is very heart-wrenching when a family does not think twice before killing a girl-child, though they indulge themselves in praying religiously to Goddess Lakshmi, Kali, and Durga.</p> <p>Through a lot of awareness, consideration, and understanding, we can bring a shift in our beliefs and perceptions of society to give equal space to the girl child.</p>
Remarks	<p>The programme was crisp and helped students creating awareness regarding gender equality. A little change in our mindset and attitude is all that is needed to welcome daughters in our hearts and this world.</p>

TO WHOMSOEVER IT MAY CONCERN

Dear Sir,

This is to certify that Dr. Sayyed Azhar conducted a lecture on "Female Foeticide and PCPNT act" for students of M.V.P.S.'s College of architecture, Nashik. The lecture was conducted as a part of gender awareness series in collaboration with the Department of Radiology at Dr. Vasant Rao Pawar Medical College, Hospital & Research Centre, Nashik.

It was a really beneficial lecture for the students and the skit organised by medical students helped understand this pressing societal issue in depth.

We sincerely thank Dr. Sayyed Azhar for his valuable time and efforts contribution.

Thanking you
