Brief about the Program (Activity/Event)	<p>Ganesh Chaturthi is a Hindu festival that celebrates the birth of Lord Ganesha, who is believed to bring good fortune and success. It falls on the fourth day of the bright fortnight of the Hindu month of Bhadrapada</p> <p>The preparations for Ganesh Chaturthi begin well before the actual festival. The student's clean college campus set up elaborate pandals (temporary shrines), and bring clay idols of Lord Ganesha. The second year students decorated the atrium for a programme. The event was organized by Students, bringing together people from diverse backgrounds for a meaningful and spiritual experience. Students can participate in making these traditional sweets and learn about their significance. It is a time for students to learn the stories and teachings of Lord Ganesha, which often include values like wisdom, intelligence, and overcoming obstacles.</p>
Remarks	<p>Ganapati Festival is not just about religious observance, but also about community, culture, and learning. It is an opportunity for students to get involved in their culture, express their creativity, and participate in social and environmental causes.</p>
