

THREE COLORS
DESIGN
STUDIOS

8th January 2024

To,
The Principal,
MVPS's SP College of Architecture,
Nashik.

We are pleased to extend our proposal to establish a formal collaboration between Three colours Design Studio and MVPS's SP College of Architecture, Nashik aimed at providing students with enhanced learning opportunities and professional exposure.

This linkage is designed to support the academic and professional development of your students through the following initiatives:

1. Students will have the opportunity to visit our ongoing construction sites, observe real-time construction activities, and gain practical knowledge about various aspects. These visits will be subject to site rules, timings, and safety protocols. Photography and video recording may also be permitted, adhering to security guidelines.
2. We are willing to contribute our industry expertise to the students to gain in-depth exposure to professional practices.
3. Where feasible, we would also explore the possibility of engaging students in live projects or research initiatives, fostering a deeper connection between academic learning and industry application.

We look forward to working with you on this collaboration.

Sincerely,

Satish Ashok Potdar

Production Designer, Art Director

Three Colours Design Studio, Pune
