Subject: **Expression of Interest for Collaboration on Internship Program**

Dear Sir/Madam,

We are pleased to express our willingness to collaborate with your institution in offering internship opportunities to your fifth-year B.Arch. students.

Our firm will be able to accept interns, subject to the availability of openings in our office at the time of application. During the internship period, the students will be integrated into our work environment and will be expected to follow the office timings, processes, and policies.

They will be offered remuneration as per our office norms. The interns will gain exposure to a wide range of architectural practice activities and will have the opportunity to understand various aspects of professional office operations.

We look forward to a productive and mutually beneficial collaboration.

Sincerely,

Ar. Snehal Shah
